Providence College  
241 Huxley Avenue, Providence, RI 02908

**2 Week program, M-T, 10AM-3PM**  
**Weeks 1 and 2, July 8-12 and July 15-18**

### **Lead Advisors:**

#### **Recruitment:**

Rising 9th graders, all districts  
Breakfast and Lunch are provided.

**Program Description:** CHALLENGE: Adventure Academy Program (CAAP) is bringing a new experience this summer to rising 8th and 9th graders. In addition to solving active problems and developing critical thinking skills, participants will also be able to build stronger leadership skills, complete more challenging tasks, and begin preparing for high school together. CAAP Mentors will support all participants in thinking creatively and having FUN!

**En Español:** RETO: El Programa de la Academia de Aventuras (CAAP) ofrece una nueva experiencia este verano a los estudiantes de octavo y noveno grado. Además de resolver problemas activos y desarrollar habilidades de pensamiento crítico, los participantes también podrán desarrollar habilidades de liderazgo más sólidas, completar tareas más desafiantes y comenzar a prepararse juntos para la escuela secundaria. ¡Los mentores de CAAP apoyarán a todos los participantes a pensar creativamente y a divertirse! Se proveerá desayuno y almuerzo.

### **Test Prep at Providence College**

241 Huxley Avenue, Providence, RI 02908

### **2 OFFERINGS from 10 am – 3 pm**

Week 2 -- July 15-18, 2024 Week 3 -- July 22-26, 2024

Recruitment: All grades, all districts

Breakfast and Lunch are provided.

**Program Description:** Onward Prep Academy for high school students is a place to practice independent learning strategies with the support of our instructors. Based on each student's grade level, (P)SAT and/or college placement exam content will be used for math and reading development. Each participant will create their own journey of skill practice, learn about strategies for studying effectively, and prepare to successfully complete high-stakes tests throughout high school and college.

**En Español :** Onward Prep Academy para estudiantes de secundaria es un lugar para practicar estrategias de aprendizaje independiente con el apoyo de nuestros instructores. Según el nivel de grado de cada estudiante, el contenido del examen (P)SAT y/o de colocación universitaria se utilizará para el desarrollo de

matemáticas y lectura. Cada participante creará su propio viaje de práctica de habilidades, aprenderá estrategias para estudiar de manera efectiva y se preparará para completar con éxito exámenes de alto riesgo durante la escuela secundaria y la universidad. Se proveerá desayuno y almuerzo.

### **THE STEEL YARD**

27 Sims Avenue, Providence, RI 02909

#### ***Ceramics***

Week 4 -- July 29-August 1 --10am-3pm

Recruitment: Rising 9th, 10th & 11th graders, all districts

RIPTIX available upon request A light snack will be provided.

**Program Description:** The Steel Yard proposes to provide creative educational opportunities in Jewelry/Metalsmithing & Ceramics for students between the ages of 13 and 18, enrolled in programs at Onward We Learn. The programs aim to teach industrial arts such as jewelry fabrication and metalsmithing in an engaging and creative curriculum. Courses offered include a Jewelry Making Course and a Ceramics Course, both designed to expose students to the ins and outs of metal fabrication or ceramics with a goal of learning more about pursuing a career in art & design. A light snack will be provided, we recommend students eat before the program. RIPTA bus passes are available upon request.

**En Español :**The Steel Yard propone brindar oportunidades educativas creativas en joyería/metalurgia y cerámica para estudiantes de entre 13 y 18 años, inscritos en programas de Onward We Learn. Los programas tienen como objetivo enseñar artes industriales como la fabricación de joyas y la orfebrería en un plan de estudios atractivo y creativo. Los cursos ofrecidos incluyen un curso de fabricación de joyas y un curso de cerámica, ambos diseñados para exponer a los estudiantes a los entresijos de la fabricación de metal o cerámica con el objetivo de aprender más sobre cómo seguir una carrera en arte y diseño. Pases de autobús RIPTA disponibles a pedido. Se proporcionará un snack por la tarde. Animamos a todos los estudiantes a comer antes de llegar al programa.

## **ADDITIONAL SESSION CHOICE**

### ***Jewelry/Metal Smithing***

Week 4 -- July 29-August 1<sup>st</sup>—10 am-3 pm

**Program Description:** The Steel Yard proposes to provide creative educational opportunities in Jewelry/Metalsmithing & Ceramics for students between the ages of 13 and 18, enrolled in programs at Onward We Learn. The programs aim to teach industrial arts such as jewelry fabrication and metalsmithing in an engaging and creative curriculum. En Español: The Steel Yard ofrece programas de formación artística y técnica diseñados para aumentar las oportunidades de expresión cultural y artística, formación orientada a la carrera e incubación de pequeñas empresas. Sus programas incluyen cursos y programas educativos en herrería, soldadura, joyería, fundición y cerámica. Las iniciativas de The Steel Yard están dirigidas a artistas activos, estudiantes, miembros de la comunidad, comerciantes, educadores artísticos y emprendedores. Tienen un historial de desarrollo de asociaciones educativas, incluidas colaboraciones anteriores con Onward We Learn, para proporcionar currículos personalizados para organizaciones comunitarias. Pases de autobús RIPTA disponibles a pedido. Se proporcionará un snack por la tarde. Animamos a todos los estudiantes a comer antes de llegar al programa.

### **RISD Project Open Door: Fashion Design**

RISD POD Studio, 355 South Water St, Providence, RI 02903

Week 4 -- July 29- August 2 (MONDAY-FRIDAY) 12pm-4pm

Recruitment: Rising 9th, 10, and 11th graders, all districts

RIPTIX available upon request. A light snack will be provided.

**Program Description:** In this Intro to Fashion Design workshop hosted by RISD Project Open Door, you will be introduced to foundational elements of fashion design, explore your personal style, and learn basic sewing skills. Guided by teaching artist, and designer Dorian Epps, you will try hand sewing, measuring materials, cutting out pattern pieces, understanding how to operate a sewing machine, and more. During this week-long program, you will also learn how to customize and repurpose your own clothing and develop your own personal style. No previous experience is necessary, just an interest in fashion + design! A light snack will be provided, we recommend students eat before the program. RIPTA bus passes are available upon request.

**En Español:** En este taller de Introducción al diseño de moda organizado por RISD Project Open Door, conocerá los elementos fundamentales del diseño de moda, explorará su estilo personal y aprenderá habilidades básicas de costura. Guiado por el artista docente y diseñador Dorian Epps, intentará coser a mano, medir materiales, cortar piezas de patrones, comprender cómo operar una máquina de coser y más. Durante este programa de una semana, también aprenderá a personalizar y reutilizar su propia ropa y a desarrollar su estilo personal. No es necesaria experiencia previa, ¡solo interés en la moda + diseño! Los pases de autobús RIPTA están disponibles previa solicitud. Se proporcionará un refrigerio ligero. Animamos a todos los estudiantes a comer antes de llegar al programa.

### **Virtual Reality Fundamentals**

The Bubbler VR

568 Charles Street, Providence, RI 02904

**Week 3 -- Jul 22-25**

**10AM-3PM**

#### **Recruitment:**

Rising 9th, 10th & 11th graders

RIPTIX available upon request

A light snack will be provided.

**Program Description:** Welcome to The Bubbler VR's program on Virtual Reality! Dive into the dynamic world of VR, where the possibilities stretch as far as your imagination can reach. This program combines classroom learning with hands-on projects, where you'll get to understand how VR headsets work, design immersive environments for VR, and create your own VR experiences using industry-standard tools like Unity. Whether you're curious about the technology behind VR, or eager to develop your own virtual worlds, this program offers a comprehensive introduction to the field. Along the way, you'll also learn about the professional aspects of VR, preparing you for exciting opportunities in this rapidly growing industry. Join us for an unforgettable journey into the heart of virtual reality and start shaping your future in this innovative field! RIPTA bus passes available upon request. A light snack will be provided, we recommend students eat before the program.

**En Español:** ¡Bienvenido al programa de Realidad Virtual de The Bubbler VR! Sumérgete en el dinámico mundo de la realidad virtual, donde las posibilidades se extienden hasta donde alcanza tu imaginación. Este programa combina el aprendizaje en el aula con proyectos prácticos, en los que comprenderá cómo funcionan los cascos de realidad virtual, diseñará entornos inmersivos para la realidad virtual y creará sus propias experiencias de realidad virtual utilizando herramientas estándar de la industria como Unity. Ya sea que tenga curiosidad acerca de la tecnología detrás de la realidad virtual o esté ansioso por desarrollar sus propios mundos virtuales, este programa ofrece una introducción completa al campo. A lo largo del camino, también aprenderá sobre los aspectos profesionales de la realidad virtual, lo que lo preparará para oportunidades interesantes en esta industria en rápido crecimiento. ¡Únase a nosotros en un viaje inolvidable al corazón de la realidad virtual y comience a dar forma a su futuro en este campo innovador! Los pases de autobús RIPTA están disponibles previa solicitud. Se proporcionará un refrigerio ligero. Animamos a todos los estudiantes a comer antes de llegar al programa.

## **Bay Camp**

Save the Bay

Week 1-- July 8-12 :8:30AM-4:00PM

Recruitment: Rising 10th and 11th graders

Lunch will be provided. Students should bring refillable water bottle each day

\*Students will be traveling via boat for most days

**\*\*ALL STUDENTS MUST RIDE THE BUS PROVIDED BY ONWARD\*\***

**Program Description:** During our week-long, full-day camps, students attending BayCamp enjoy hands-on exploration of Rhode Island's greatest natural resource: Narragansett Bay. This week is perfect for middle or high school students interested in pursuing a college career in environmental sciences. Throughout the week, campers will travel throughout the Bay onboard our education vessel. Students will participate in research while learning from Save The Bay experts about environmental issues in our area. We will have fun swimming, exploring, and learning about the Bay. Topics include navigation, climate change, water testing, invasive species, and much more! It is recommended that students bring a refillable water bottle each day.

**ALL STUDENTS MUST RETURN COMPLETED CAMP WAIVER AND PAPER REGISTRATION TO BE CONSIDERED. ALL STUDENTS MUST RIDE THE BUS PROVIDED BY ONWARD.**

**En Español :** Durante nuestros campamentos de día completo y de una semana de duración, los estudiantes que asisten a BayCamp disfrutan de la exploración práctica del mayor recurso natural de Rhode Island: la Bahía de Narragansett. Esta semana es perfecta para estudiantes de secundaria interesados en seguir una carrera universitaria en ciencias ambientales. A lo largo de la semana, los campistas viajarán por la Bahía a bordo de nuestro barco educativo. Los estudiantes participarán en investigaciones mientras aprenden de los expertos de Save The Bay sobre problemas ambientales en

uestra área. Nos divertiremos nadando, explorando y aprendiendo sobre la Bahía. Los temas incluyen navegación, cambio climático, pruebas de agua, especies invasoras y mucho más. Se recomienda que los estudiantes traigan una botella de agua recargable todos los días. **TODOS LOS ESTUDIANTES DEBEN DEVOLVER LA EXENCIÓN DEL CAMPAMENTO COMPLETADA Y LA INSCRIPCIÓN EN PAPEL PARA SER CONSIDERADOS. TODOS LOS ESTUDIANTES DEBEN VIAJAR EN EL AUTOBÚS PROPORCIONADO POR ONWARD.**

### **FLY Academy**

Providence College (241 Huxley Ave, Ryan School of Business)

Week 4: July 29-August 1, 2024 :10AM-3PM

Recruitment: Rising 9th-11th graders

Lunch, a morning snack, and transportation will be provided.

**Program Description:** The FLY Initiative’s empowering foundational components are a culturally responsive curriculum, experiential learning through innovation, and family and community engagement. The FLY Initiative is a first-class seat to the limitless skies of hopeful futures and financial stability. FLY-ing with us positions participants on a flight path to systemic change. Equipping this next generation with top-flight financial knowledge, skills, and tools, FLY’s passengers will embark on a real-life-in-real-time experiential flight path in which the destination is Opportunity: financial wellness and stability, worthy employment, safe housing, advanced education, wholesome food security, affordable healthcare, and corporate and political leadership advancement.

**En Español:** Los componentes fundamentales empoderadores de la Iniciativa FLY son un plan de estudios culturalmente receptivo, aprendizaje experiencial a través de la innovación y participación familiar y comunitaria. La Iniciativa FLY es un asiento de primera clase hacia los cielos ilimitados de futuros esperanzadores y estabilidad financiera. FLY con nosotros posiciona a los participantes en una ruta de vuelo hacia el cambio sistémico. Al equipar a esta próxima generación con conocimientos, habilidades y herramientas financieras de primer nivel, los pasajeros de FLY se embarcarán en una ruta de vuelo experiencial de la vida real en tiempo real en la que el destino es la Oportunidad: bienestar y estabilidad financieros, empleo digno, seguridad. vivienda, educación avanzada, seguridad alimentaria saludable, atención médica asequible y avance del liderazgo corporativo y político.
